Hi,

I submitted a request to the NPS back in June, but with the switch from foiaonline to [foia.gov](https://www.foia.gov), my request may have gotten lost. I can send a copy of my initial request if needed.

**Request:** DOI-NPS-2023-004884

Can you let me know where I can find the current status of my request?

Thank you

Hi,

I am following up on this request. Please let me know when I can expect a response on this foia. It looks like the NPS is planning to murder Stumpy and the public needs this information before that happens.
